Bath Choral Society is delighted to announce a return to the annual performance of *Messiah* which opens the season of Christmas music in Bath Abbey. This will also be the first *Messiah* to be presented using the new seating arrangements of the transformed Abbey. *Messiah* tells the story of Christ's life in solo arias and magnificent choruses, from 'For unto us a child is born' through the 'Hallelujah' chorus and 'The trumpet shall sound' to the final Amen.

George Bevan will conduct the choir and Bristol Ensemble.
